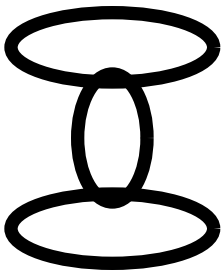
RANDOM ACTS OF AWESOME

# Christmas Kindness Countdown Chain

**A paper chain with a kind act of awesome on every link, December 1 to 25!**

**The strips print in black and white, ready for you to color. One set makes one chain, so print one set per person. You don't need to print this page.**



## What you need

- Paper and a printer (cardstock makes a sturdier chain)
- Scissors (kids may need help with these)
- Glue, tape, or a stapler, to close each link
- Crayons, colored pencils, markers, or watercolor paints
- A place to hang your chain

1. Cut out each strip along its outline. Don't worry if the lines aren't straight!
2. Color your strips any way you like. Use crayons, pencils, markers, watercolors, whatever you prefer!
3. Curl strip 1 into a ring with the words on the outside. Overlap the ends a little, then glue, tape, or staple them.
4. Slide strip 2 through the ring and close it the same way. Keep going in number order. Put the whole chain together in one day, or add one link each day. It's your choice!
5. Hang your chain where you will see it every day, so you remember to do your act of awesome. Each link tells you what that day's act is!

**The blank strips are a bonus. Decorate them however you like! To add your own ideas, make more strips from blank paper, about 1.5 inches wide.**
